Subject: Regional Chair's Golf Tournament Funding Request

Mr. Chairman,

Please find attached a letter requesting that the Niagara Conservation Foundation be considered for a donation from the proceeds of your annual golf tournament.

I would be happy to meet and discuss further or put a more formal proposal together.

Best Regards,
Kevin

Explore Enjoy Conserve

April 15, 2016

Mr. Allan Caslin
Regional Chair
Niagara Region
1815 Sir Isaac Brock Way
P.O. Box 1042
Thorold, ON L2V 4T7

Dear Chair Caslin;

The Niagara Peninsula Conservation Foundation raises awareness, funds and resources to support the important work of Niagara Peninsula Conservation Authority. The Foundation provides funds for restoration projects, wetland creation, education, conservation area enhancements and community events.

Staff at the Conservation Authority have several important projects planned for this year. These projects will improve Niagara's natural areas visited by thousands of people annually as well as research projects that will provide vital information on water quality and endangered species.

To help equip staff with the latest technology and in order to provide the funding required to undertake these important projects, the Foundation looks to donors for support.

To this end, Mr. Chairman, we respectfully ask for a portion of the proceeds of the Chair's annual golf tournament to support the Niagara Conservation Foundation.

I would be happy to discuss the details of the projects and research staff will be working on this year and the costs associated with them.

Sincerely,

Kevin Vallier
Executive Director
